

Re: Docket# 98N-1038, "Irradiation in the Production, Processing, and Handling of Food."

I want the FDA to continue prominent labeling of food that has been treated with irradiation. The label should be conspicuous and include the logo for irradiation.

Your Signature: Claudia M. Jeeb

Additional comments:

Please look carefully at  
the sequelae of such irradiation to  
our health & that of our planet.
